Please read our terms and conditions carefully to get a clear understanding of how TradeWithSam operate!

TradeWithSam responsibility:

- To provide best services - signals with high accuracy!
- To provide mentorship for members from 3M, 6M and 1Y area and support for each member!
- To provide proper money management plan according to each member Account size!

Member's responsibility and our conditions for best result in forex market:

- Before you open a new position, make a plan for enter and exit the from the market. Stick strictly to your plan or follow our plan and do not succumb to emotions when they suggest you to make changes on your positions!
- Use only our services provided - signals with high accuracy!
- Do not open trades with your own signals for best progress! In case if you are about to open your own trades try to gain from the trend instead of trying to catch the top and bottom of the movement. Be with the market, not against it. The market is always right!
- Watch the whole picture. Even if you trade in short periods, always keep track of the long-term trend.
- Become a habit of reviewing your transactions. This way, you will be able to keep track of both your profits and your losses and to find any mistakes made by you.
- Important If you want to compound your money, we recommend you to compound and increase your lot size monthly, NOT daily or weekly
- Do not overtrade!

- Never open positions with all your margin funds. Use no more than 15-25% of them for all your open positions and no more than 3% for each individual deal. Otherwise, in the case of sudden market movements, the risk to you is extremely high.
- Never add to a losing position.
- Use Stop orders to limit possible loss on all open positions.
- Patience for the next signals coming! We are an expert team - analysing and Providing high accuracy signals!
